

ORDINANCE NUMBER 2

**SALVAGE YARD ORDINANCE**  
**TAYLOR COUNTY, WEST VIRGINIA**

Article 1. Authority, Purpose, Title, Effective Date

Section 1.0 General Authority

By authority of the Code of West Virginia, Chapter 17 Article 23, Section 4, the Taylor County Planning Commission is empowered to adopt, administer and enforce reasonable rules and regulations for the establishment, operation or maintenance of a salvage yard.

Section 1.1 Purpose

The purpose of this ordinance is to establish a permit procedure and set forth reasonable rules and regulations for any person(s) wishing to secure a salvage yard license or a license for an abandoned salvage yard. More specifically, this ordinance is adopted for the following purposes:

- a. To protect and provide for the public health, safety and general welfare of the County.
- b. To promote the harmonious development of the County to secure safety from fire, flood and other dangers.
- c. To promote safe and efficient access to the existing transportation network and particularly the highway system.
- d. To protect and conserve the value of land throughout the County and the value of buildings and improvements upon the land, and to minimize the conflicts among the uses of land and buildings.
- e. To prevent the pollution of air, streams, and other water bodies; to ensure the adequacy of drainage facilities; to safeguard the water table; and to encourage the wise use and management of the natural and visual resources throughout the County in order to preserve the integrity, stability and natural beauty of the county.
- f. To guide future growth and development in accordance with the establishment of a Taylor County comprehensive plan.

Section 1.2 Title

This Ordinance shall be known, cited and referred to as the Taylor County Salvage yard Ordinance.

Section 1.3 Permit Required

A salvage yard permit shall be required from the Taylor County Planning Commission prior to the establishment of any salvage yard. Any salvage yard which is not licensed in accordance with Article 23, Chapter 17, Section 3 of the Code of West Virginia at the time of adoption of this Ordinance shall require a permit under this Ordinance. In addition, a permit shall be required for the expansion of a salvage yard issued a permit under this Ordinance. No permit shall be issued until it conforms with all other County Land Development laws and the laws of the State of West Virginia.

Section 1.4 Quota

There is a limit of 12 salvage yards which will be permitted in Taylor County. This limit will be reserved yearly by the Taylor County Planning Commission.

Section 1.5 Exempt Activities

The following activities are expressly exempt from the provisions of this Ordinance:

- a. Any new or used motor vehicle dealer licensed by the State of West Virginia or any commercially established motor vehicle repair shop, provided that any junked motor vehicles on site are serving a reasonable functional use in the operation of the business and would not otherwise constitute a salvage yard. A commercially established repair shop shall not include part-time or "hobby" repair shops or other establishments which are not the principal occupation of the proprietor.
- b. Publicly owned and operated solid waste disposal facilities approved by the West Virginia Department of Natural Resources under Chapter 20, Article 5F and the Legislative Regulations for Solid Waste Management, as amended.
- c. There is no quota for building enclosed salvage yards.

Section 1.6 Effective Date

This Ordinance, established by action of the Taylor County Commission the 31st day of December, 1994, shall take effect on the 31st day of December, 1994, and shall apply to all salvage yards within the unincorporated territory of Taylor County.

Article 2. Interpretations and Definitions

Section 2.0 Interpretation

For the purpose of this Ordinance, the following interpretations shall apply:

- a. Words used in the present tense include the future tense.
- b. The singular includes the plural.
- c. The plural includes the singular.
- d. The term "shall" or "will" is always mandatory.
- e. The word "building" or "structure" shall be construed as if followed by the phrase "or part thereof".
- f. The word "County" shall refer to Taylor County, West Virginia.
- g. The word "Ordinance" shall refer to the Taylor County Salvage Yard Permit Ordinance.

Section 2.1 Definitions

For the Purpose of this Ordinance, the following definitions shall apply:

- 1. **Agriculture:** The cultivation of plant crops or the raising of livestock. Agriculture is the organized use of land for the production of plant or animal food, fiber or landscape products. Beef and dairy farms, grain farms, orchards, plant nurseries, and tree farms are forms of agriculture.
- 2. **Building Enclosed Salvage Yard:** Shall mean a business which is involved strictly with the rebuilding of vehicles from the parts of wrecked or junked vehicles, with the business completely enclosed within the building, with no wrecked vehicles, junked vehicles or vehicle parts visible outside.
- 3. **Community Impact Statement (CIS):** A report prepared by an applicant describing the scope and feasibility of his proposed salvage yard. The CIS also describes the physical, social and economic impacts a proposal may bring to the County and to the immediate area.
- 4. **Construction Bond:** A written instrument with a clause binding an applicant to pay a certain penalty (or a portion thereof) to the County Commission; conditioned, however, with a statement that the payment of the penalty (or a portion thereof) may be avoided upon satisfactory construction and completion of improvements required by the Planning Commission. A construction bond is secured by a surety, by cash in escrow, or by other means satisfactory to the Taylor County Commission and the Taylor County Planning Commission.
- 5. **County Commission:** The Taylor County Commission, three Commissioners elected at-large by magisterial district.
- 6. **County Engineer:** A member of the Planning Commission Staff (or a consultant) who is registered (or able to be registered) as a West Virginia Professional Engineer.
- 7. **County Land Development Laws:** The Ordinances adopted by the Taylor County Commission for the purpose of monitoring and regulating the development of land. This shall include the Subdivision Ordinance, the Improvement Location Permit Ordinance, the Building Code Ordinance, and any other similar Ordinance officially adopted by the County Commission.
- 8. **Fencing:** An enclosure, barrier or screen constructed of materials, or consisting of plantings, natural objects or other appropriate materials located and maintained so as to effectively screen the salvage yard and salvage materials from the public view.

9. Land Development Coordinator: A designated employe of the Planning Commission charged with the administration and enforcement of this Ordinance and other land development laws in Taylor County.
10. Motor Vehicle: Any device in which persons or property may be transported and is, or was, self-propelled.
11. Motor Vehicle, Junked: Any motor vehicle which is discarded, wrecked, ruined, scrapped, or dismantled; cannot pass the state motor vehicle inspection; and, is not serving a reasonable functional use or purpose or is not in an enclosed building.
12. Motor Vehicle Repair Shop: Any commercially established building or land used for the servicing, repairing, or equipping of motor vehicles. A motor vehicle repair shop shall include commercial garages and body shops.
13. Permit Officer: Shall refer to the person or persons authorized to review salvage yard permit applications, make inspections of the proposed site and its affect on other properties and investments; and make recommendations for consideration of the Planning Commission.
14. Planning Commission: Shall refer to the Taylor County Planning Commission.
15. Occupied Private Residence: Shall mean a private residence which is occupied for at least six months each year.
16. Owner or Operator: Shall include individual, firm, partnership, association or corporation or the plural thereof.
17. Residential Community: Shall mean an area wherein five or more occupied private residences are located within any one thousand feet radius.
18. Salvage: Old or scrap copper, brass, rope, jags, batteries, paper, rubber, trash, waste, junked, dismantled or wrecked machinery, machine, motor vehicles or any parts of any junked, dismantled or wrecked machinery, machines or motor vehicles, iron, steel, and other old or scrap ferrous or nonferrous materials.
19. Salvage Yard: Any place which is maintained, operated or used for the storing, keeping, buying, selling or processing of salvage, or for the operation and maintenance of a motor vehicle graveyard, and the term shall also include garbage dumps and sanitary landfills. Any collection of three or more junked motor vehicles, or combination of ferrous or nonferrous materials together with one or more junked motor vehicles, or a collection of any salvage contained in an area more than one quarter acre in size, shall be considered a salvage yard.
20. Salvage Yard, abandoned: Shall mean any unlicensed salvage yard or any salvage yard that was previously licensed by upon which the license was not renewed for more than one year.
21. Solid Waste Disposal Facility: Any facility established, modified or operated for the purpose of the disposal of solid waste as defined by West Virginia Department of Natural Resources, Legislative Regulations for Solid Waste Management, as amended.
22. Sketch Plan: An informal drawing of a salvage yard proposal design and layout which is prepared according to the provisions of this Ordinance and which assists the general scope, feasibility and impact of a proposed project.
23. Structure: Anything constructed, the use of which requires fixed location on the ground; or, anything attached to something having such location. A structure does not include fences, individual driveways, or retaining walls.

### Article 3. Permit Procedures and Requirements

#### Section 3.0 Permit Procedures

Salvage yard proposals are reviewed at three stages:

- Application Conference - Staff
- Community Impact Evaluation - Planning Commission
- Final Public Hearing - Planning Commission

Upon request, exceptions from the review process may be granted by the Planning Commission for salvage yard proposals which are small and appear to have little impact on the County. The Planning Commission may advance such proposals directly to the Final Public Hearing stage, provided a site inspection by the Staff reveals no apparent difficulty. Although certain requirements for documentation of the proposal may be waived, advancing the application shall not exempt a proposal from other requirements of this Ordinance.

- a. A permit application shall be made, on forms provided by the Planning Commission, and shall be submitted to the Planning Commission Office, Executive Director. Attention: Taylor County Planning Commission, 214 West Main Street, Grafton, WV 26354 Phone: 304-265-3938. In addition, the applicant shall submit the following information:
  1. Community Impact Statement as required in Section 3.1
  2. Sketch Plan as required in Section 3.2
  3. Appropriate certificate of approval (entrance permit) from the West Virginia Department of Highways.
  4. Other permits, licenses or approval required under County, State or Federal Laws or written evidence that application has been made and received for such approvals.

- b. Upon submission of a completed application and required information, and APPLICATION CONFERENCE shall be scheduled between the applicant and the Planning Commission Staff. APPLICATION CONFERENCES will be mutually agreed.
- c. At the APPLICATION CONFERENCE the applicant and staff will review and discuss the materials submitted. The scope of the proposed salvage yard is examined according to the impact it will have on the physical, social, and economic conditions within the County. Modifications to the Community Impact Statement or the sketch plan are made by the applicant if appropriate. The applicant is advised of the date and time this proposal will be brought before the Planning Commission for the Community Impact Evaluation. Regular meetings of the Planning Commission are held on the first Thursday of every month.
- d. Planning Commission shall place a notice in a newspaper having general circulation within the affected area no less than ten working days prior to the meeting, advising the public of the Community Impact Evaluation before the Planning Commission.
- e. COMMUNITY IMPACT EVALUATION is held before the planning Commission during a regular meeting. The Planning Commission reviews the sketch plan and Community Impact Statement. The Planning Commission renders a decision whether to approve the concept, require additional information, or deny the application. Examples of other information which may be required are a more detailed Community Impact Statement or a detailed site plan.
- f. If the salvage yard application is disapproved, the applicant is advised in writing of the Planning Commission action and of the specific reasons upon which the action was based.
- g. If the application is approved in concept or the applicant submits the information required by the Planning Commission, and is deemed sufficient by the staff to meet the concerns of the Planning Commission, a date shall be set for a public hearing or a regular meeting of the Planning Commission.
- h. The planning Commission shall place a notice of public hearing in a newspaper having general circulation within the affected area no less than 10 working days prior to the hearing.
- i. The public hearing is held before the Planning Commission in order to solicit new or revised information from the public not previously considered at the Community Impact Evaluation stage. The Planning Commission, after considering public comment, all previous information and comment, the provisions of this Ordinance, and the provisions of Section 17-23-4 of the Code of West Virginia, may approve, approve with conditions or disapprove the salvage yard proposal.
- j. The Planning Commission shall approve, approve with conditions or disapprove a salvage yard proposal within forty-five days from completion of the public hearing.
- k. If the salvage yard application is approved with conditions, the conditions must be met prior to issuance of a permit, where applicable, or must be attached to the permit.
- l. If the salvage yard application is disapproved, the applicant is advised in writing of the Planning Commission action and of the specific reasons upon which the action was based.

**Section 3.1 Community Impact Statement**

All salvage yard proposals shall be accompanied by a written Community Impact Statement (CIS). The purpose of the CIS is to provide the Planning Commission with such of the information necessary to consider the potential impacts a salvage yard may have on a specific site, on the surrounding uses and on the County as a whole. The content shall be sufficient to permit an examination of these impacts.

- a. Basic descriptive information about a salvage yard proposal shall include:
  - 1. Name and address of owner/developer.
  - 2. Name, address and telephone number of contact person.
  - 3. Tract size, shape and location.
  - 4. General description of the nature of the salvage yard, the types of materials to be stored, and the anticipated market for salvage purchased and sold by the operator.
  - 5. Number, approximate size and location and intended function or use of proposed buildings on the sites, if any.
  - 6. General description of surface conditions (topography).
  - 7. Soil and drainage characteristics.
  - 8. Existing natural or manmade features including, vegetative cover, water bodies, quarries, and rock outcroppings.
  - 9. General location and description of existing structures.
  - 10. General location and description of existing easements or rights-of-way.
  - 11. Existing covenants and restrictions.
  - 12. Intended improvements.
  - 13. Intended earthwork that would alter the topography.
  - 14. Proposed covenants and restrictions.
  - 15. Tentative development and construction schedule.
  - 16. Anticipated projects costs.
- b. A discussion of the relationship of the proposed salvage the community (County) and the area around the salvage yard shall consider the following items:

**Physical Impacts**

- 1. Earthwork, as it affects drainage, removal of vegetation and soil, and alteration of the natural terrain.

2. Conversion of farmland to a nonfarm use.
3. Wildlife populations.
4. Groundwater and surface water resources--use; depletion, contamination, flow change.
5. Compatibility of the proposal with the surrounding area in terms of land use and visual appearance.
6. Impact on sensitive natural areas such as water recharge areas, streams and river banks, hillside, forests, wetlands and water bodies.

#### Social Impacts

7. Traffic characteristics--type and frequency of traffic; adequacy and safety of existing transportation routes and facilities; origin and destination of traffic.
8. Fire and police protection--on site measures proposed to minimize the risk of fire and steps to minimize vandalism.
9. Sewer and water facilities, if any.
10. Proximity and relationship to known historic features.
11. Relationship of the project to the Comprehensive Plan.

#### Economic Impacts

12. Property Tax evaluation.
13. Local employment implications.
14. Expected changes in property value.

The method by which the applicant prepares and presents a CIS is left to the discretion of the applicant.

#### Section 3.2 Sketch Plan

A sketch plan shall be submitted with an application for a salvage yard. The sketch plan shall be on white paper and shall show in simple form the layout of the proposed salvage yard. The sketch plan may be drawn free hand at a scale acceptable to the Engineer. Contour lines as shown on the appropriate U.S.G.S. Topographical Quadrangle map should be transferred to the sketch plan. In addition the sketch plan shall show the following information:

- a. Natural features such as watercourses, rock outcroppings, sink holes, quarries and wooded areas.
- b. Areas proposed for the storage of salvage and the specific type of salvage proposed.
- c. Location of buildings or structures, if any.
- d. Proposed access and the internal road network.
- e. Parking areas for customer and employee parking.
- f. Measures proposed to manage stormwater and to minimize erosion.
- g. Salvage and building setback lines.

Where a salvage yard proposal appears to the Planning Commission to be a major concern, the applicant may be required to

submit a detailed site plan prepared by a licensed surveyor or engineer indicating the specific site characteristics, proposed stormwater management plans, erosion and sediment controls and detailed construction plans for all improvements. Additional information or detail may be required by the County Engineer or a consultant employed by the Taylor County Commission and/or Planning Commission.

#### Section 3.3 Performance Guarantees

A Performance and/or Construction Bond equal to any construction cost of any improvements to be completed on salvage yard shall be provided by the applicant. A Performance Bond on other surety may be required by the Planning Commission to assure proper maintenance and operation in accordance with this ordinance.

#### Section 3.4 Fees

A fee of Twenty-Five Dollars (\$25.00) shall be charged for each application submitted to the Taylor County Commission for a salvage yard.

#### Article 4. Location and Site Design Standards; Operating Requirements.

##### Section 4.0 Location Standards

A Salvage Yard shall not be established unless it meets all of the following location standards:

- a. No salvage yard shall be located within 1000 feet from any year-round stream, run, river, pond or other water body.
- b. No salvage yard shall be located closer than 1000 feet of State or Federal road system.
- c. All salvage yards should have direct access to a State highway. Access through a private road may be considered if the applicant provides written evidence that the following criteria is met:
  1. All private road rights-of-way shall be at least 40 feet in width. Greater right-of-way widths may be required by the County Engineer; and
  2. All private road rights-of-way shall be an exclusive right-of-way; OR
  3. All parties of interest in a non-exclusive right-of-way shall consent to the use of the private road for the purposes of a salvage yard.
- d. No salvage yard shall be located closer than 1000 feet of an existing residence.
- e. No salvage yard shall be located within 2000 feet of any existing public or private school, or land owned by the Taylor County Board of Education, or a public or private playground, park or recreation area.
- f. No salvage yard shall be located closer than 5000 feet of nearest private residence which is part of a residential community.

#### Section 4.1 Site Design Standards

In establishing a salvage yard, all of the following requirements and standards must be met:

- a. Setbacks.
  1. All salvage yard areas shall be set back a minimum of 500 feet from a State road right-of-way and 100 feet from a private road right-of-way. Where greater setbacks are required by State or Federal Law, the more restrictive shall apply.
  2. All salvage material shall be stored no closer than 15 feet from the perimeter fence or screening to allow access for emergency and fire fighting equipment.
- b. Fencing and Screening
  1. All outdoor storage of salvage material shall be conducted entirely within an enclosed fence, wall, or other solid screen. All driveways through the fence shall be similarly screened. Such solid screen shall be constructed on the front, sides and rear of the storage area, in accordance with the setbacks above, and shall be constructed in such a manner that no salvage material is visible from an adjacent property, private road or State road.
  2. The construction of fence screening and gates shall be uniform and no patchwork type of construction shall be permitted. Height shall be minimum of 8 feet.
- c. Parking
 

One off-street parking space shall be provided for each employee. In addition, two spaces per acre of salvage yard area shall be provided for patrons up to a total of 12 spaces. Additional parking spaces may be required by the Planning Commission.

#### Section 4.2 Operating Requirements

All salvage yards located within the unincorporated portions of Taylor County shall comply with the following requirements:

- a. The storage of salvage material outside the perimeter fence or within the setbacks required by the State of West Virginia, whether temporary or permanent, shall be prohibited, unless stored within a building.
- b. All fencing and screening shall be maintained in a manner acceptable to the Taylor County Planning Commission, and all plant material used for screening shall be maintained in a live and healthy condition.
- c. All salvage materials shall be stored in such a manner as to prevent the breeding or harboring of rats, insects, or other vermin. Where necessary, this shall be accomplished by enclosures in containers, raising material above the ground, separation of types of material preventing the collection of stagnant water, extermination procedures, or other means.
- d. All storm water shall be controlled on site so as to prevent standing water and to minimize any adverse effect on adjoining property.
- e. No salvage material shall be allowed to rest upon or protrude over any public street or become scattered or blown off the premises.
- f. Salvage shall be stored so as to permit easy access to all salvage for fire fighting purposes, including a 15 foot buffer area around the perimeter of the salvage yard.
- g. No salvage or other material shall be burned on the premises unless in a structure or location approved by the local fire service and/or West Virginia State Fire Marshal Office.
- h. The storage of electrical transformers, whether temporary or permanent, shall be prohibited.
- i. The storage of materials classified as hazardous waste by the State of West Virginia shall be prohibited.
- j. Gasoline, oil, anti-freeze and all other fluids shall be removed from any scrapped engines, vehicles or machinery prior to storage on the premises. All fluids removed shall be properly disposed of off the premises.
- k. No combustible materials of any kind, other than those necessary for the salvage yard or products of processing salvage material shall be kept on the premises, nor shall the premises be allowed to become a fire hazard.
- l. No space not included in the permit approved by the Planning Commission shall be used for the storage of salvage material.
- m. The Executive Director, or any other representative of the County Planning Commission shall have the right to inspect the premises of any salvage yard, either announced or unannounced, and at any reasonable time, for the purposes of enforcing this Ordinance.

#### Article 5. Administration, Enforcement, Violations

##### Section 5.0 Administration

This Ordinance shall be administered by an employee of the Taylor County Planning Commission to be known as the Taylor County Planning Commission Executive Director.

##### Section 5.1 Enforcement

Enforcement of this Ordinance shall be the responsibility of the Land Development Coordinator, who shall make an initial interpretation that a violation has occurred. The Land Development Coordinator shall prepare a written Violation Notice and Directive to Cease and Desist and shall transmit such notice and directive to the person responsible for the violation. Failure to comply with a Directive to Cease and Desist shall be cause for the Planning Commission to declare the violation a common nuisance. Upon such declaration, the Planning Commission shall instruct the Executive Director to request the assistance of the County Prosecuting Attorney and:

- (a) Seek an injunction in the Circuit Court of Taylor County to restrain the responsible person from continuing the violation cited or seek an injunction requiring removal of structures or land uses from the property involved

OR

(b) Proceed by criminal warrant or information against the person in violation; or both a and b.

Section 5.2 Violations

It shall be unlawful for any person, whether an owner, lessee, principal, agent, employee or otherwise, to violate or permit to be violated any provision of this Ordinance.

Section 5.3 Penalty

Any person violating any provision of this Ordinance, whether an principal, agent or employee, shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than One Hundred Dollars nor more than One Thousand Dollars in accordance with Chapter 17, Article 23, Section 9 of the Code of West Virginia. Each month, or portion of a month in which a violation of this Ordinance is committed, continued or permitted, shall constitute a separate offense.

Article 6. Appeal, Amendment, Conflict with Other Laws, Validity

Section 6.0 Appeal

An appeal regarding the administrative procedure exercised under the provisions of this Ordinance, shall be filed with the Taylor County Commission.

All appeals shall specify the grounds thereof and shall be filed with the appropriate governmental body within thirty (30) days after the date of the order, decision or procedure complained of.

Section 6.1 Amendment

By legislative procedure, the Taylor County Commission may, from time to time, amend, supplement or change the provisions of this Ordinance.

Section 6.2 Conflict With Other Laws

Where the provisions of this Ordinance impose greater restrictions than those of any other ordinance or regulation, the provisions of this Ordinance shall be controlling. Where the provisions of any statute, other ordinance or regulation propose greater restriction than this Ordinance, the provisions of such statute, ordinance or regulation shall be controlling. This Ordinance shall not be construed in any manner that is not consistent with the purposes and provisions of State law governing the licensing and maintenance of salvage yards.

Section 6.3 Validity

If any article, section, subsection, paragraph, clause or provisions of this Ordinance shall be declared by a court of competent jurisdiction to be invalid, such decisions shall not affect the validity of this Ordinance as a whole or any other part thereof.

Article 7. Enactment

Section 7.0 Enactment

Enacted and ordained this 5th day of December, 1994 by the Taylor County Commission, County of Taylor, Grafton, West Virginia.

Signed: *Gene C. Hovick*  
PRESIDENT, TAYLOR COUNTY  
COMMISSION
